Re: Updated Corrosion Monitoring Plan for two Class I injection wells, United States Environmental Protection Agency (EPA) Permits #MI-163-1W-C010 and #MI-163-1W-C011

Dear Mr. Athans:

The EPA is in receipt of your updated corrosion monitoring plan attached to your letter dated July 16, 2013. EPA has reviewed and approves this monitoring plan. During the August 8, 2013 site visit, EPA confirmed the corrosion monitoring location at the effluent line from the Secondary Storage Tank.

If you have any questions regarding this matter, please call me at (312) 353-7316.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Allan Batka".

Allan Batka, Engineer
Underground Injection Control Branch
