Re: EGT MIT (in conformance with MI-163-1W-C010 & MI-163-1W-C011, sections I.H.2 & II.D.2.b)

Dear Mr. Batka:

Environmental Geo-Technologies, LLC ("EGT") hereby submits its proposed Testing Procedures for Mechanical Integrity Testing, as prepared by Subsurface Technology, Inc. in conformance with the requirements of its two EPA UIC permits (#s MI-163-1W-C010 & MI-163-1W-C011, most notably Sections I.H.2 & II.D.2.b of both permits).

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

We trust that you find this submission satisfactory, however, if you have any questions or comments, please feel free to contact us. Otherwise, we look forward to written authorization from EPA that these procedures are acceptable to EPA to conduct such Mechanical Integrity Testing.

Sincerely,

Richard J. Powals, P.E.
Vice-President
